

OCI Partners to Be Removed from the Alerian Small Cap MLP Index

Dallas, Texas – July 12, 2018 – Alerian announced today that OCI Partners (NYSE: OCIP) will be removed from the Alerian Small Cap MLP Index (AMSI) in a special rebalancing.

Special rebalancings are triggered by corporate actions such as mergers, bankruptcies, and liquidations. OCIP will cease to trade due to its go-private transaction with its general partner. The rebalancing will take place after market close on Friday, July 13, 2018.

The index will be rebalanced in accordance with its existing methodology. Constituent additions to and deletions from the index do not reflect an opinion by Alerian on the investment merits of the respective securities.

About the Alerian Small Cap MLP Index

The Alerian Small Cap MLP Index is a composite of small-cap energy Master Limited Partnerships (MLPs). The capitalization-weighted index, which represents approximately 10% of total market capitalization, is disseminated real-time on a price-return basis (AMSI) and on a total-return basis (AMSIX).
