**About Alerian**

Alerian equips investors to make informed decisions about energy infrastructure and Master Limited Partnerships (MLPs). Its benchmarks are widely used by industry executives, investment professionals, research analysts, and national media to analyze relative performance. As of June 30, 2018, over \$15 billion is directly tied to the Alerian Index Series through exchange-traded funds and notes, separately managed accounts, and structured products. For more information, including index values and constituents, research content, and announcements regarding rebalancings, please visit alerman.com.
